

TRAVEL TIPS

Clothing should be as cool and comfortable as possible, during the long summer heat in Europe. However we recommend bringing a sweater or jacket. For evenings, we'll need more formal clothes, if we go out. It is recommended to bring comfortable shoes and at least one pair of tennis shoes. The koala bag is a wonderful solution to carry money; we will give you one as courtesy of TUR-VEN.

It is allowed one luggage per person (20 lbs), and a backpack or carryon. It is important to remember that excess luggage costs too much and therefore it is preferable not to travel with too much weight and be free to buy a souvenir on the way. In the backpack or carryon we should have a change of clothes to be used in case of lost luggage by the airline. It's important to have a photocopy of your passport in your suitcase.
